

## Dehaco B.V. – Conditions of Delivery / Return policy

1. These Conditions of Delivery/Return Policy (hereinafter referred to as 'Conditions') shall apply to all properties used for the purpose of asbestos removal that are offered to Dehaco for certification, repair or for return of rental property.
2. Dehaco shall reserve the right to reject the properties if these Conditions are not fulfilled.
3. In all cases, dust shall be noted as asbestos dust until adhesive samples prove otherwise.
4. If it emerges following acceptance by Dehaco that these Conditions have not been fulfilled, all costs that Dehaco incurs shall be passed on to the customer.
5. These costs shall in any case include cleaning costs, packaging costs, working hours and costs incurred if there is no declaration of release of a decontamination unit.
6. With respect to returned rental properties, the customer shall also be invoiced for days on which the property cannot be rent to the customer.

### Respiratory protective equipment<sup>1</sup>:
